

Campus Cuisine

Independent Lunch Service

Dear Students and Parents:

“Campus Cuisine” is pleased to offer our lunch service at St. Paul Catholic School. We deliver specialties from local restaurants, often at less than retail prices. Menu selections include nutritious, child friendly foods that won’t get “traded or trashed”. When children are excited about their lunches, we achieve our most important goal, which is for students to return to class well nourished, satisfied and eager to learn!

Campus Cuisine’s online ordering process provides many flexible options. Choose to order from one to five days per week. Orders may be placed up until the school day before or by week, month or session. Changes and cancellations may also be made online. The deadline for orders and cancellations is noon the school day before.

Please visit our website at www.campuscuisine.net to place your orders for the 2009/2010 school year. Session dates are listed below. THE SESSION 1 MENU WILL BE AVAILABLE STARTING AUGUST 12, 2009.

Session 1	8/24/2009 – 12/17/2009
Session 2	1/5/2010 – 5/28/2010

Please follow these steps to register and order. If you need further assistance, email kathryn@campuscuisine.net or call 1 866 876-6496. Please do not call the school, since this service is completely independent of St. Paul Catholic School and its employees.

Step 1 – New customers should click on “Register” to create a user name and password. The ACCESS CODE is lunch101. Existing customers go to step 2.

Step 2 - “Log in” and add a student profile for each child. These must be recreated at the beginning of each school year.

Step 3 - Click “Place Order” and select a child to begin ordering. You may view and print the entire menu here.

Step 4 – Order first for Mondays and proceed through the weekdays by clicking “next”. You may see some dates for this week and some for the following week, depending on when you are ordering.

Step 5 – Payment options include VISA, MC or AMEX. Previous credits will be applied. You may also mail a check in advance and place orders using your credit.

Step 6 – Please return to the login screen and click on the student’s name to confirm and print your orders.
