

Thank you for considering St. Paul Catholic School for your child. By completing this Waiting Pool Application, you demonstrate your desire to have your child attend a school that *prepares each student to meet the challenges of life by providing academic excellence, traditional values, and a strong religious foundation*. This is our mission; we hope it is your mission too!

Please complete both sides of this Waiting Pool Application and return it to the St. Paul Catholic School office by January 31, 2008. Do not send Registration Fees at this time. **All applications for Grades 1 through 8 must include a copy of the student's latest report card and results of standardized testing. Applications will not be processed without these documents.** If your application is received after this date it will be placed in a secondary pool.

Applications will be processed during the month of February. Available spaces are determined by the results of the in-house registration that will take place in the early part of February. You will be notified by mail as to the status of your application. These notices will be mailed on Monday, February 11, 2008. You will receive additional information at this time.

If you have any questions, please feel free to call the school office. Thank you again for considering St. Paul Catholic School to support you in the education of your child.

Sincerely

Louise S. West
Principal
